Dear Valued Partner in Ministry,

Mega Sports Camp has made an eternal impact on thousands of children who have accepted Jesus as Savior. Over the past two decades, we have felt it valuable to add inspirational sports stories to the curriculum in order to illustrate a spiritual truth. We've learned this year how this could create confusion to your young athletes when the story being told involves an individual with unbiblical values.

We apologize for this oversight and have worked diligently to remedy the situation. In this download folder you will find these replacement items for the curriculum items affected by the Day 5 Sports Story:

- Rally Time Sports Story (Pages 77-79 in the Rally Guide)
- Sports Flash (Day 5)
- Sports Flash Slide (.jpg & .pdf)
- *Good Vibes Only* Theme Chart

In the future, our Mega Sports Camp team has decided to partner with a well-respected sports ministry to help discover and amplify messages of athletes who share our values. We're excited about this opportunity and the impact it will have on your young athletes!
